## About us

Pain is only a Word, NOT a sentence. The pain management center, Pro Spine & Pain (formerly PPW Health & APM), is a group of pain physicians and mid-level practitioners with nearly 100 years of collective experience in minimally invasive spine care and pain management.

Conditions Treated at The Pain Center in Madison, WI:

- Back pain, neck pain, thoracic pain, herniated disc, degenerative disc disease, spinal stenosis, failed back surgery, syndrome, sacroiliac pain, sciatica, and sports injury.
- Diabetic neuropathy
- Complex regional pain syndrome
- Postherpetic neuralgia (pain related to shingles)
- Cancer pain

Visit Madison-based The Pain Center to relieve back, neck, and joint pain symptoms. Our offices are conveniently located in Madison, Wisconsin. Seek relief today with the expertise of our leading pain management doctors.
